ASE CERTIFICATION REIMBURSEMENT

National Institute for Automotive Service Excellence (ASE) is the standard for quality of vehicle repair and service. By testing and certifying automotive professionals, shop owners know that they are employing competent and qualified technicians, and consumers have peace of mind that certified professionals are performing their automotive services.

We encourage your shop's technicians to enhance their expertise and become ASE certified. Your shop can receive a rebate of up to $250 a year when technicians become certified or re-certified.

Reimbursement will be issued as a credit to parts suppliers, who will then determine the method of reimbursement (e.g. account credit, check, debit card, etc.) to shops.

Our online portal makes submitting a rebate claim easy! For more information, visit www.alliance-programs.com/, call ASE at 703-669-6600, or contact your parts supplier.

$250 A YEAR IN REBATES
