

REPAIR GUARD

DOUBLE THE
WARRANTY COVERAGE
FOR YOUR CUSTOMERS

Certified Service Centers can now offer an extended parts and labor warranty to their customers through Repair Guard. This program is a great way to protect your customers for double the warranty period.

Here's how Repair Guard locks customers to the Confidence Plus brand:

- Fill the service bays
- Sell more parts
- Generate higher ticket sales
- Facility adoption

Regardless of where your customers are traveling, their protection is honored at more than 35,000 qualified participating service facilities. The repair itself might be inconvenient, but getting it taken care of won't be.
